

General Information

Site Description

The Chrome Horse is located on 1140 Blairs Ferry Road in NE Cedar Rapids. A map for out of town visitors is available on our website. The private banquet room has available seating for 80 people. Set up of the room can be tailored to your needs. The room may be closed or doors may remain open so your guests may take advantage of the other areas of the establishment.

Menu Planning

Food decisions must be made at least 1 week prior to your event. Entrée counts must be made 72 hours prior to the event. Once counts are provided to the Chrome Horse, food will be prepared based on that number and your party will be charged for that number even if your party has no-shows. Food prepared and not consumed may be boxed and given to you for take-home usage. All parties are subject to a 7% sales tax and 20% gratuity.

Bar Planning

You must decide whether you would like beverages on a tab or whether your guests will pay on a cash-and-carry basis. We also have the ability to create a beverage limit for your party.

Restrictions On Room Usage

On Friday and Saturday nights, we require parties of no less than 35 people. Those guests under the age of 21 may be present for the duration of your event provided they remain in the banquet room at all times.

Decorations

You are welcome to decorate the room and tabletops prior to the event, provided the Chrome Horse is notified. We request no adhesive be used on walls. No confetti is allowed. A cleanup fee may be assessed if these guidelines are not followed.
